Hello,

I am trying to find a time to go over our statement of work and future meeting times. The team is having a meeting at 12:15pm today otherwise we are available to meet next week on Tuesday, Thursday, or Friday mornings at 8am. I am going to create a teams meeting in case you are able to attend.

Thank you,
Ethan Hartman

Hi Ethan,

Thanks for reaching out.

+@Jed Sander
+@Nathan Whitt

I've added Jed Sander and Nathan Whitt to this thread (note: Nathan's email was missing a second "t" in the previous message). Please include Jed Sander in future communications.

We won't be available today for your mentor meeting at 12:15 PM. However, we'd like to confirm our initial meeting with your team for **Friday, September 5th at 8:00AM**. We prefer using Microsoft Teams for online calls. The university should provide access via the free Microsoft Office 365 student package.

Please send the Teams invite to the following participants:

- David.Kegley@qorvo.com
- Jed.Sander@qorvo.com
- Nathan.Whitt@qorvo.com
- Daisy.Vazquez@qorvo.com

If you are unable to create the invite please let us know and we'll be happy to set it up.

Lastly, could you share the contact information for the rest of your team in case we to send out the invite?

Respectfully,
